

On-Demand, On-Time: Logistics that keep projects moving.

With the recommencement of the Mozambique LNG Project, we're already mobilized – delivering integrated, "drop and go" logistics solutions to drive your success.

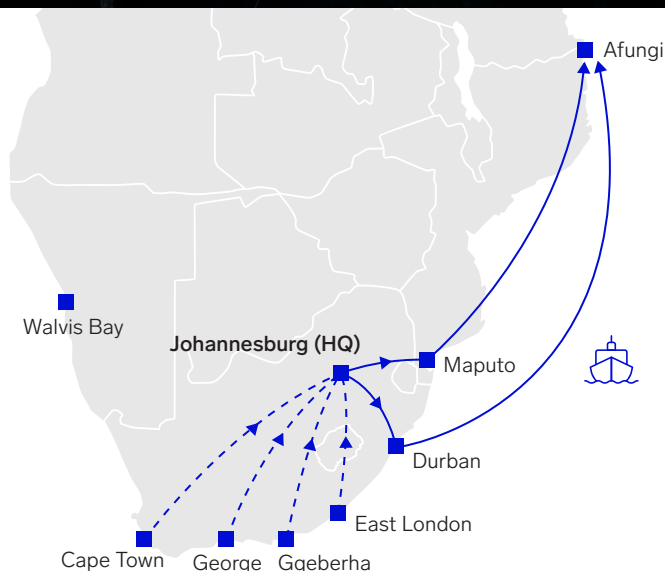

Why us?

Rhenus Logistics

- Owned fleet and 82,400m² warehouse space.
- Same day/overnight road freight throughout Southern Africa.
- Online 24/7 Track and Trace system.

LBH Group

- Over 40 years of experience in Mozambique, handling 500-700 vessel calls per annum.
- Maritime agency for major contractors in Afungi.
- Trusted by the region's largest EPC's and Contractors.
- Established supply lines to Northern Mozambique.

Our joint solution

Integrated cross border solutions for mission-critical logistics.

- 01 Drop-off at Rhenus sites
- 02 Customs documentation if required
- 03 Consolidate at the Rhenus JNB or DBN warehouse
- 04 Uplift by LBH Xpress
- 05 Delivery to Afungi by ship or truck/ship combination

Key benefits

"Drop and Go" convenience

Nationwide access, get closer, faster with Rhenus sites.

Complete Export/Import docs

We handle every document, every step of the way.

Rapid Uplift with LBH Xpress

No time wasted, LBH ensures priority uplift to Afungi.

Deep expertise in remote sites
