

EXPORT CONNECTIONS FROM EUROPE TO BRAZIL

ATLANTIC BRIDGE

Both by air and by sea, with this new product we are committed to combining the best logistics solutions to offer an agile service adapted to the needs of today's supply chains. These consolidation services, based on inhouse specialised operations in our bonded warehouse, are granting our customers weekly departures, cost stability and guaranteed space in highly volatile market conditions.

OCEAN FREIGHT

- /// Daily collections from 5 European countries (FR, ES, DE, IT, Benelux), with a road transit time of 3-4 days
- /// Own consolidation service in a specialised customs warehouse
- /// Weekly departures from Sines with direct service to Santos, Brazil
- /// Transit time approximately 15 to 18 days from collection in country of origin to Santos port
- /// Use of mainly 40' containers for greater cargo capacity
- /// Guaranteed space and equipment
- /// Stable rates until end of year

AIR FREIGHT

- /// Collection by truck in several European countries (FR, ES, DE, IT, Benelux), with a transit time of 3-4 days
- /// Air transport from Lisbon, Portugal, directly to Viracopos or Guarulhos, Brazil
- /// Regular weekly departures
- /// Guaranteed space
